

William Thomas Design: Join the Circle

A Partnership Built on
Support, Not Capital

The Opportunity

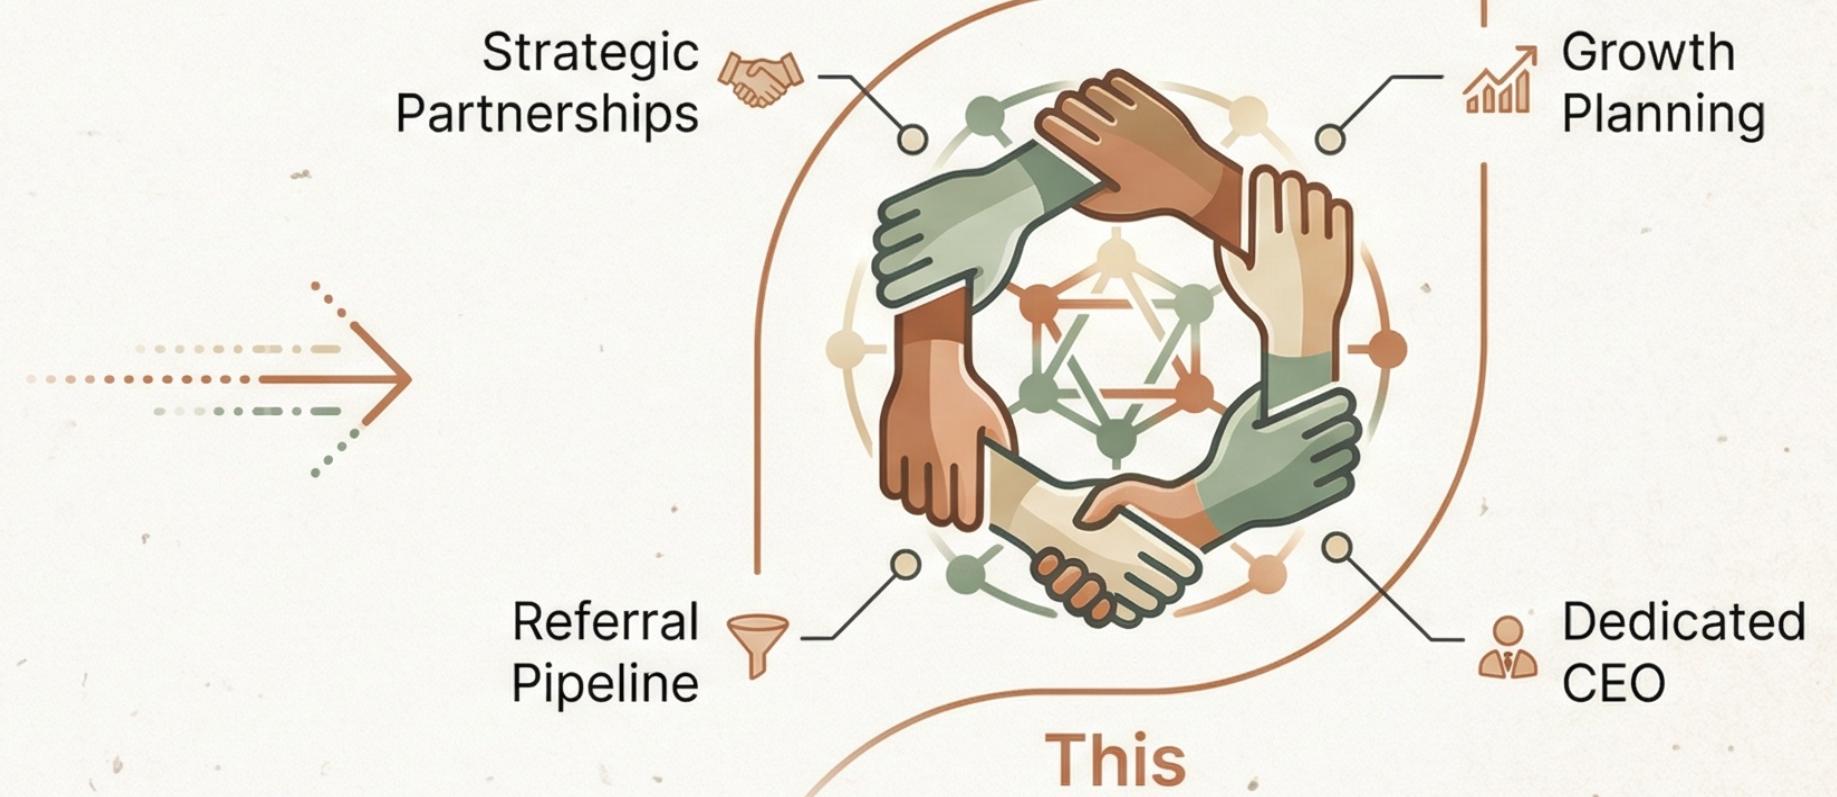

What if businesses that naturally refer each other owned a piece of each other's success?

What You Need

*“I Don’t Need Money.
I Need Support.”*

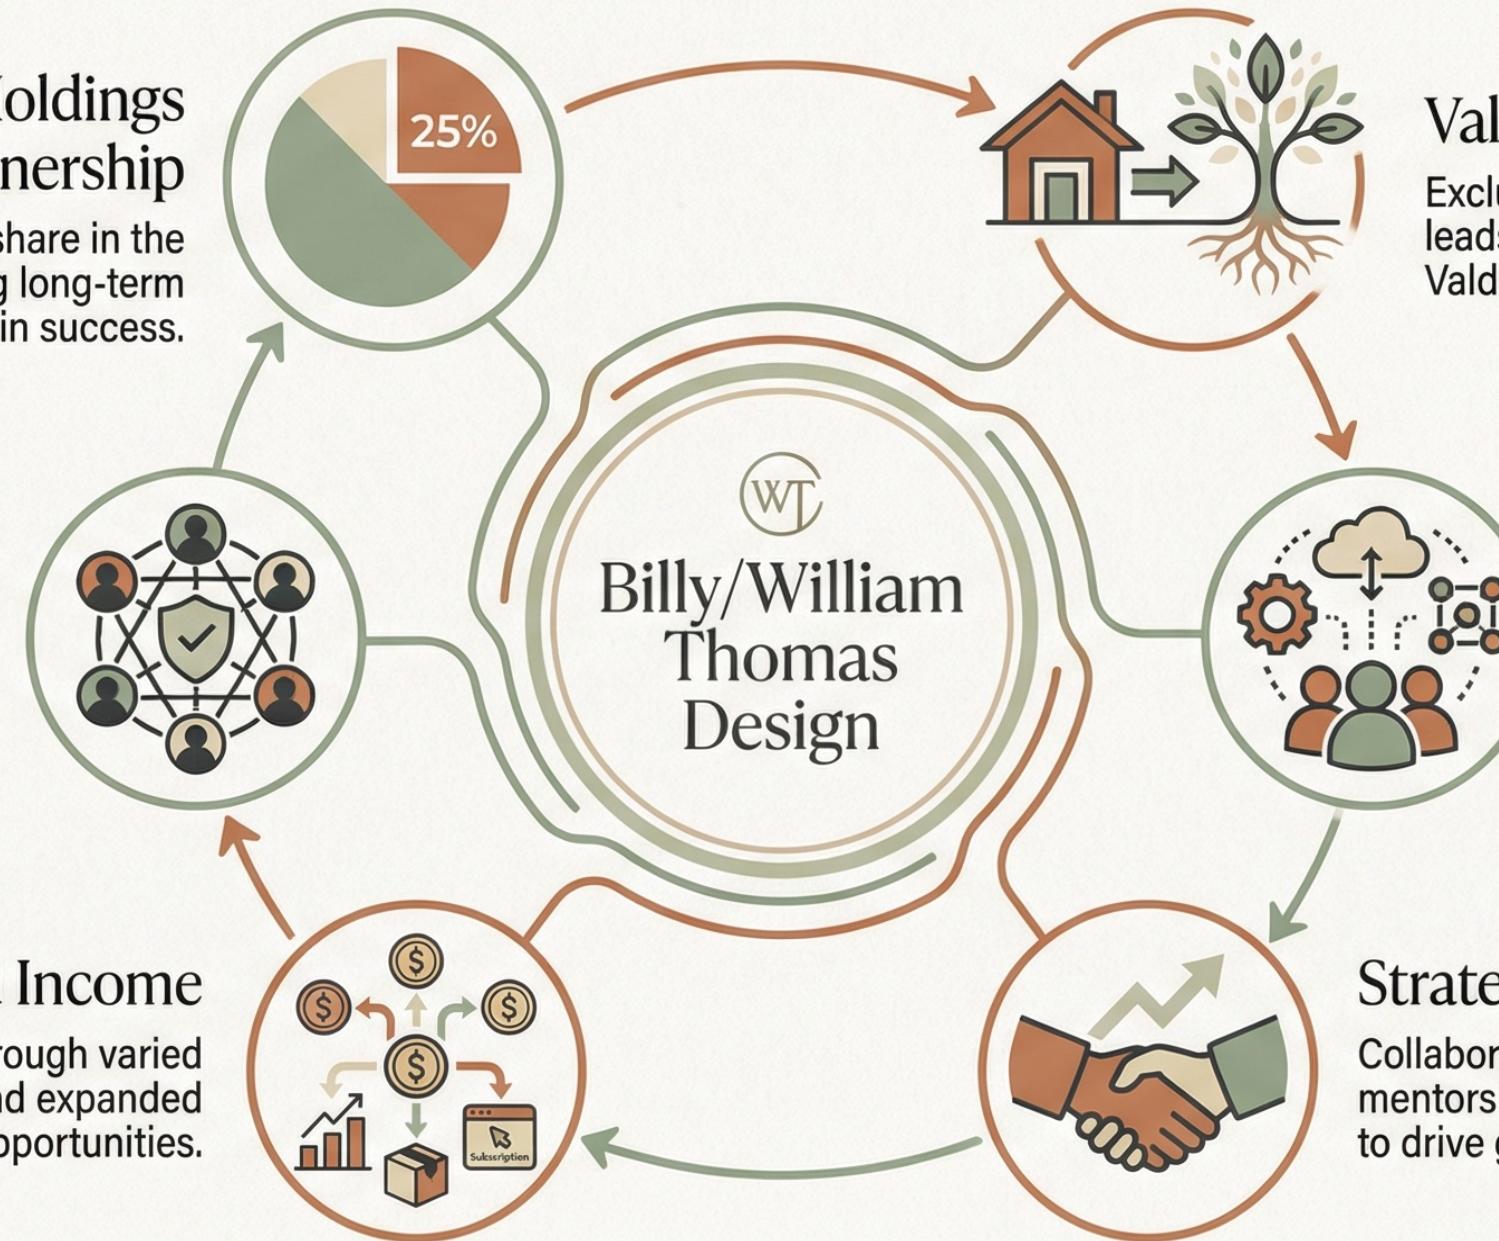

What Billy Gets

25% Holdings Ownership
Significant equity share in the new venture, ensuring long-term alignment and stake in success.

Trusted Network
Access to a vetted community of professionals, investors, and industry experts for collaboration.

Diversified Income
Reduced risk through varied revenue sources and expanded market opportunities.

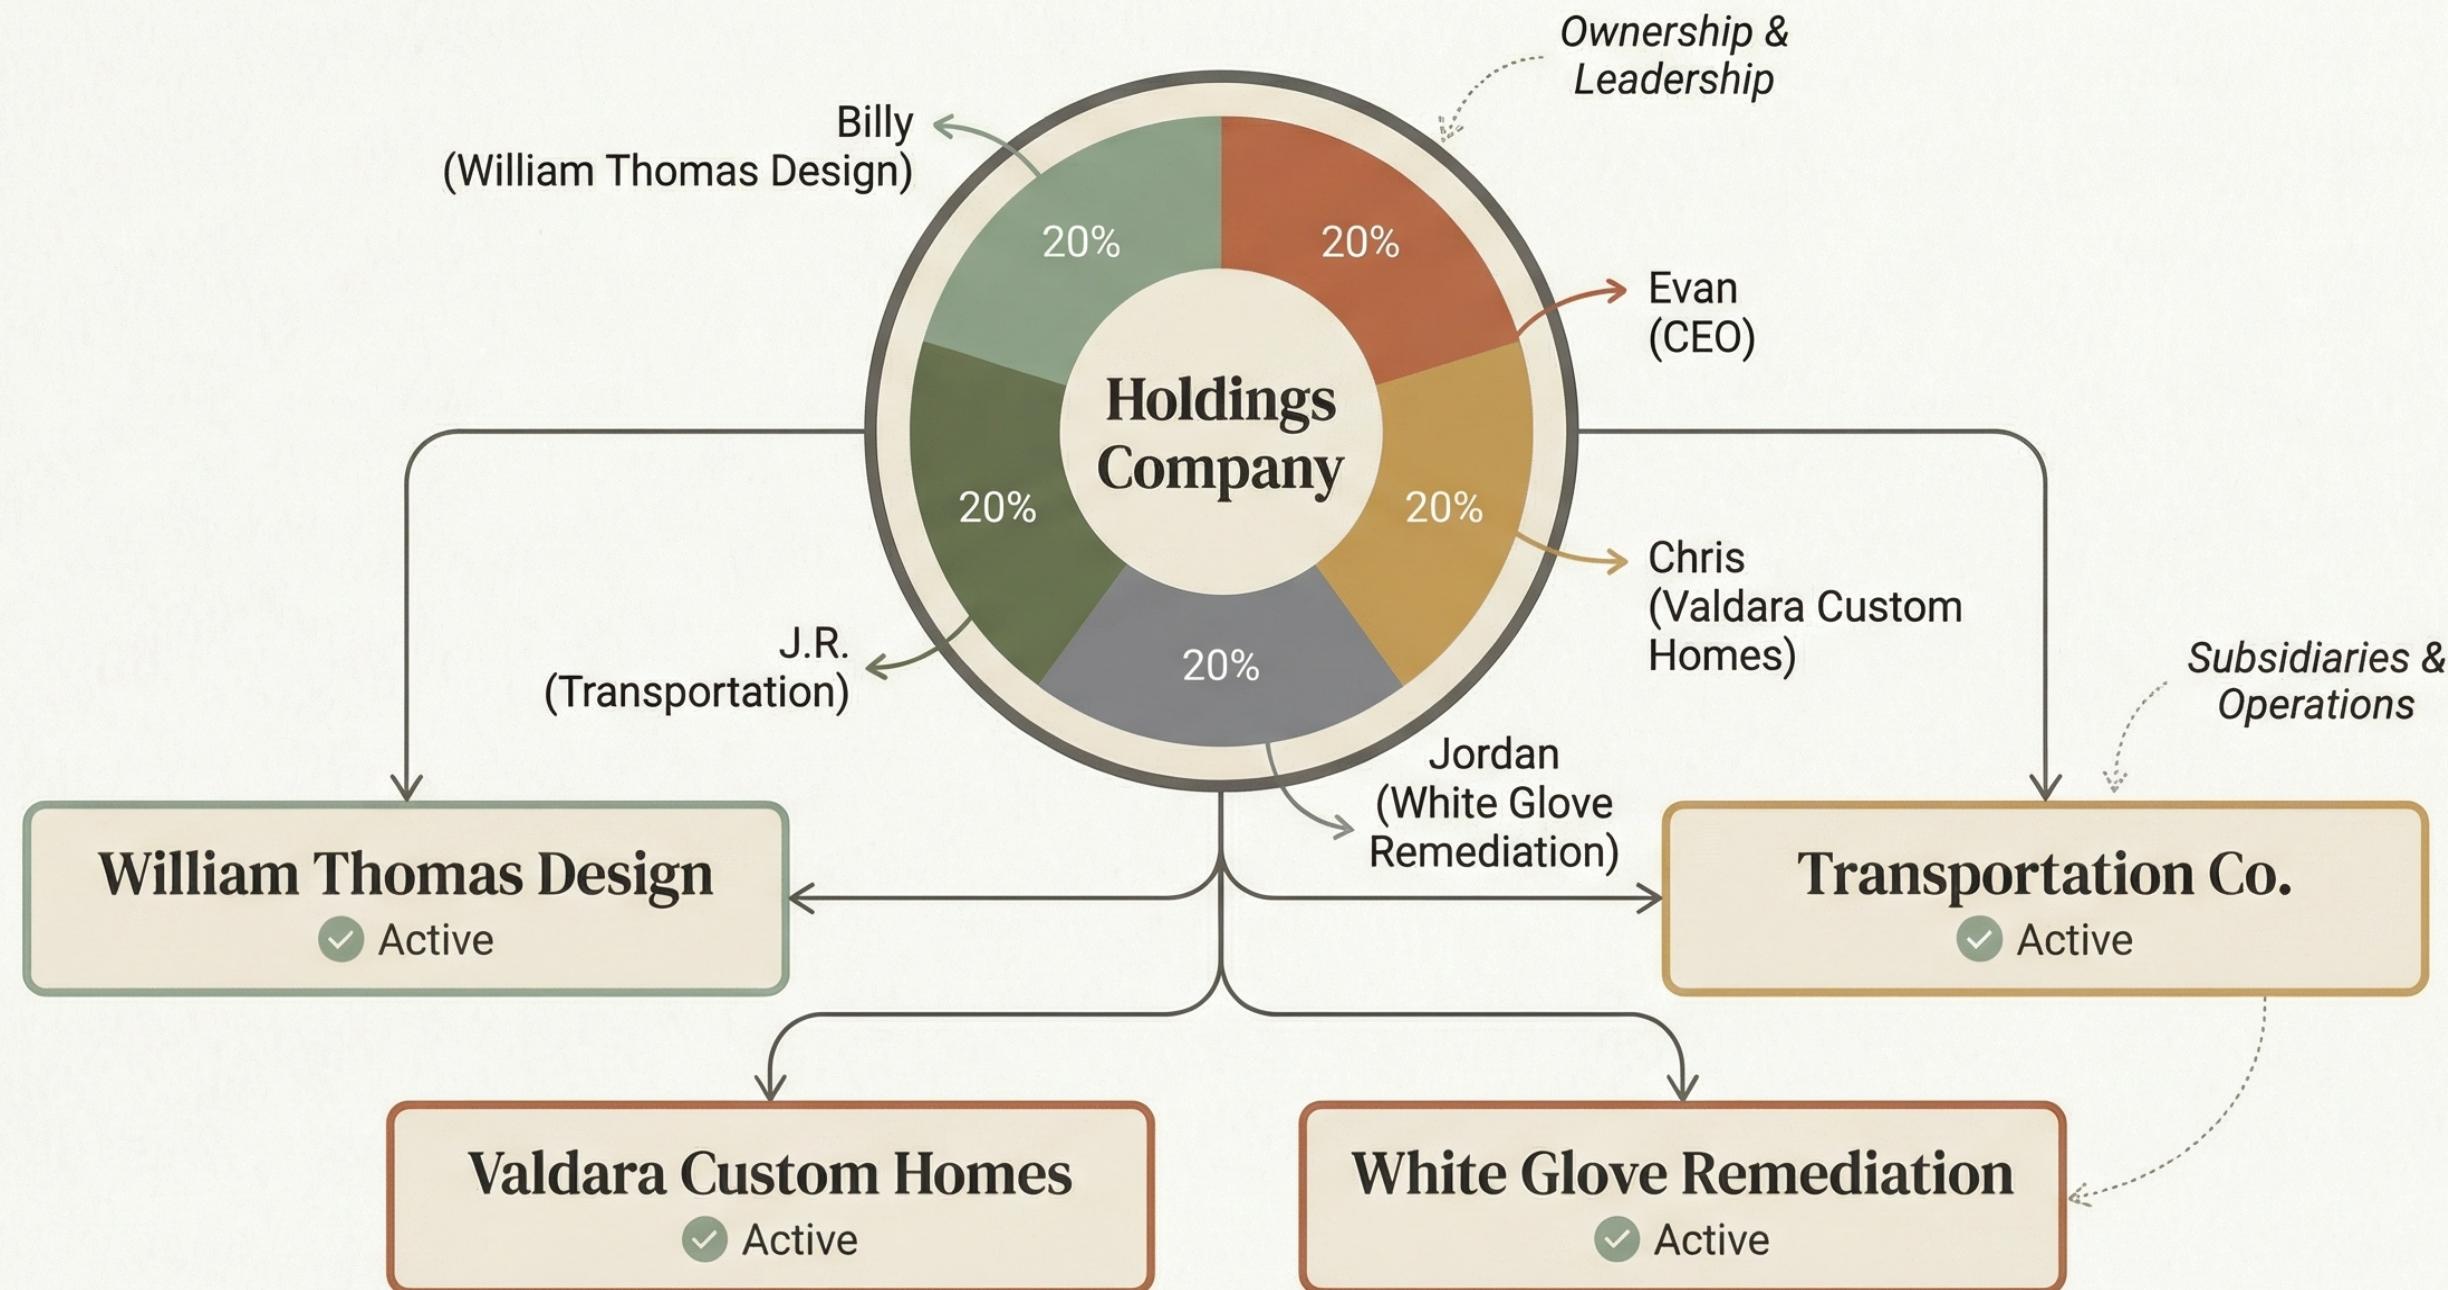

Valdara Referral Pipeline
Exclusive access to high-value project leads and client introductions from Valdara's established network.

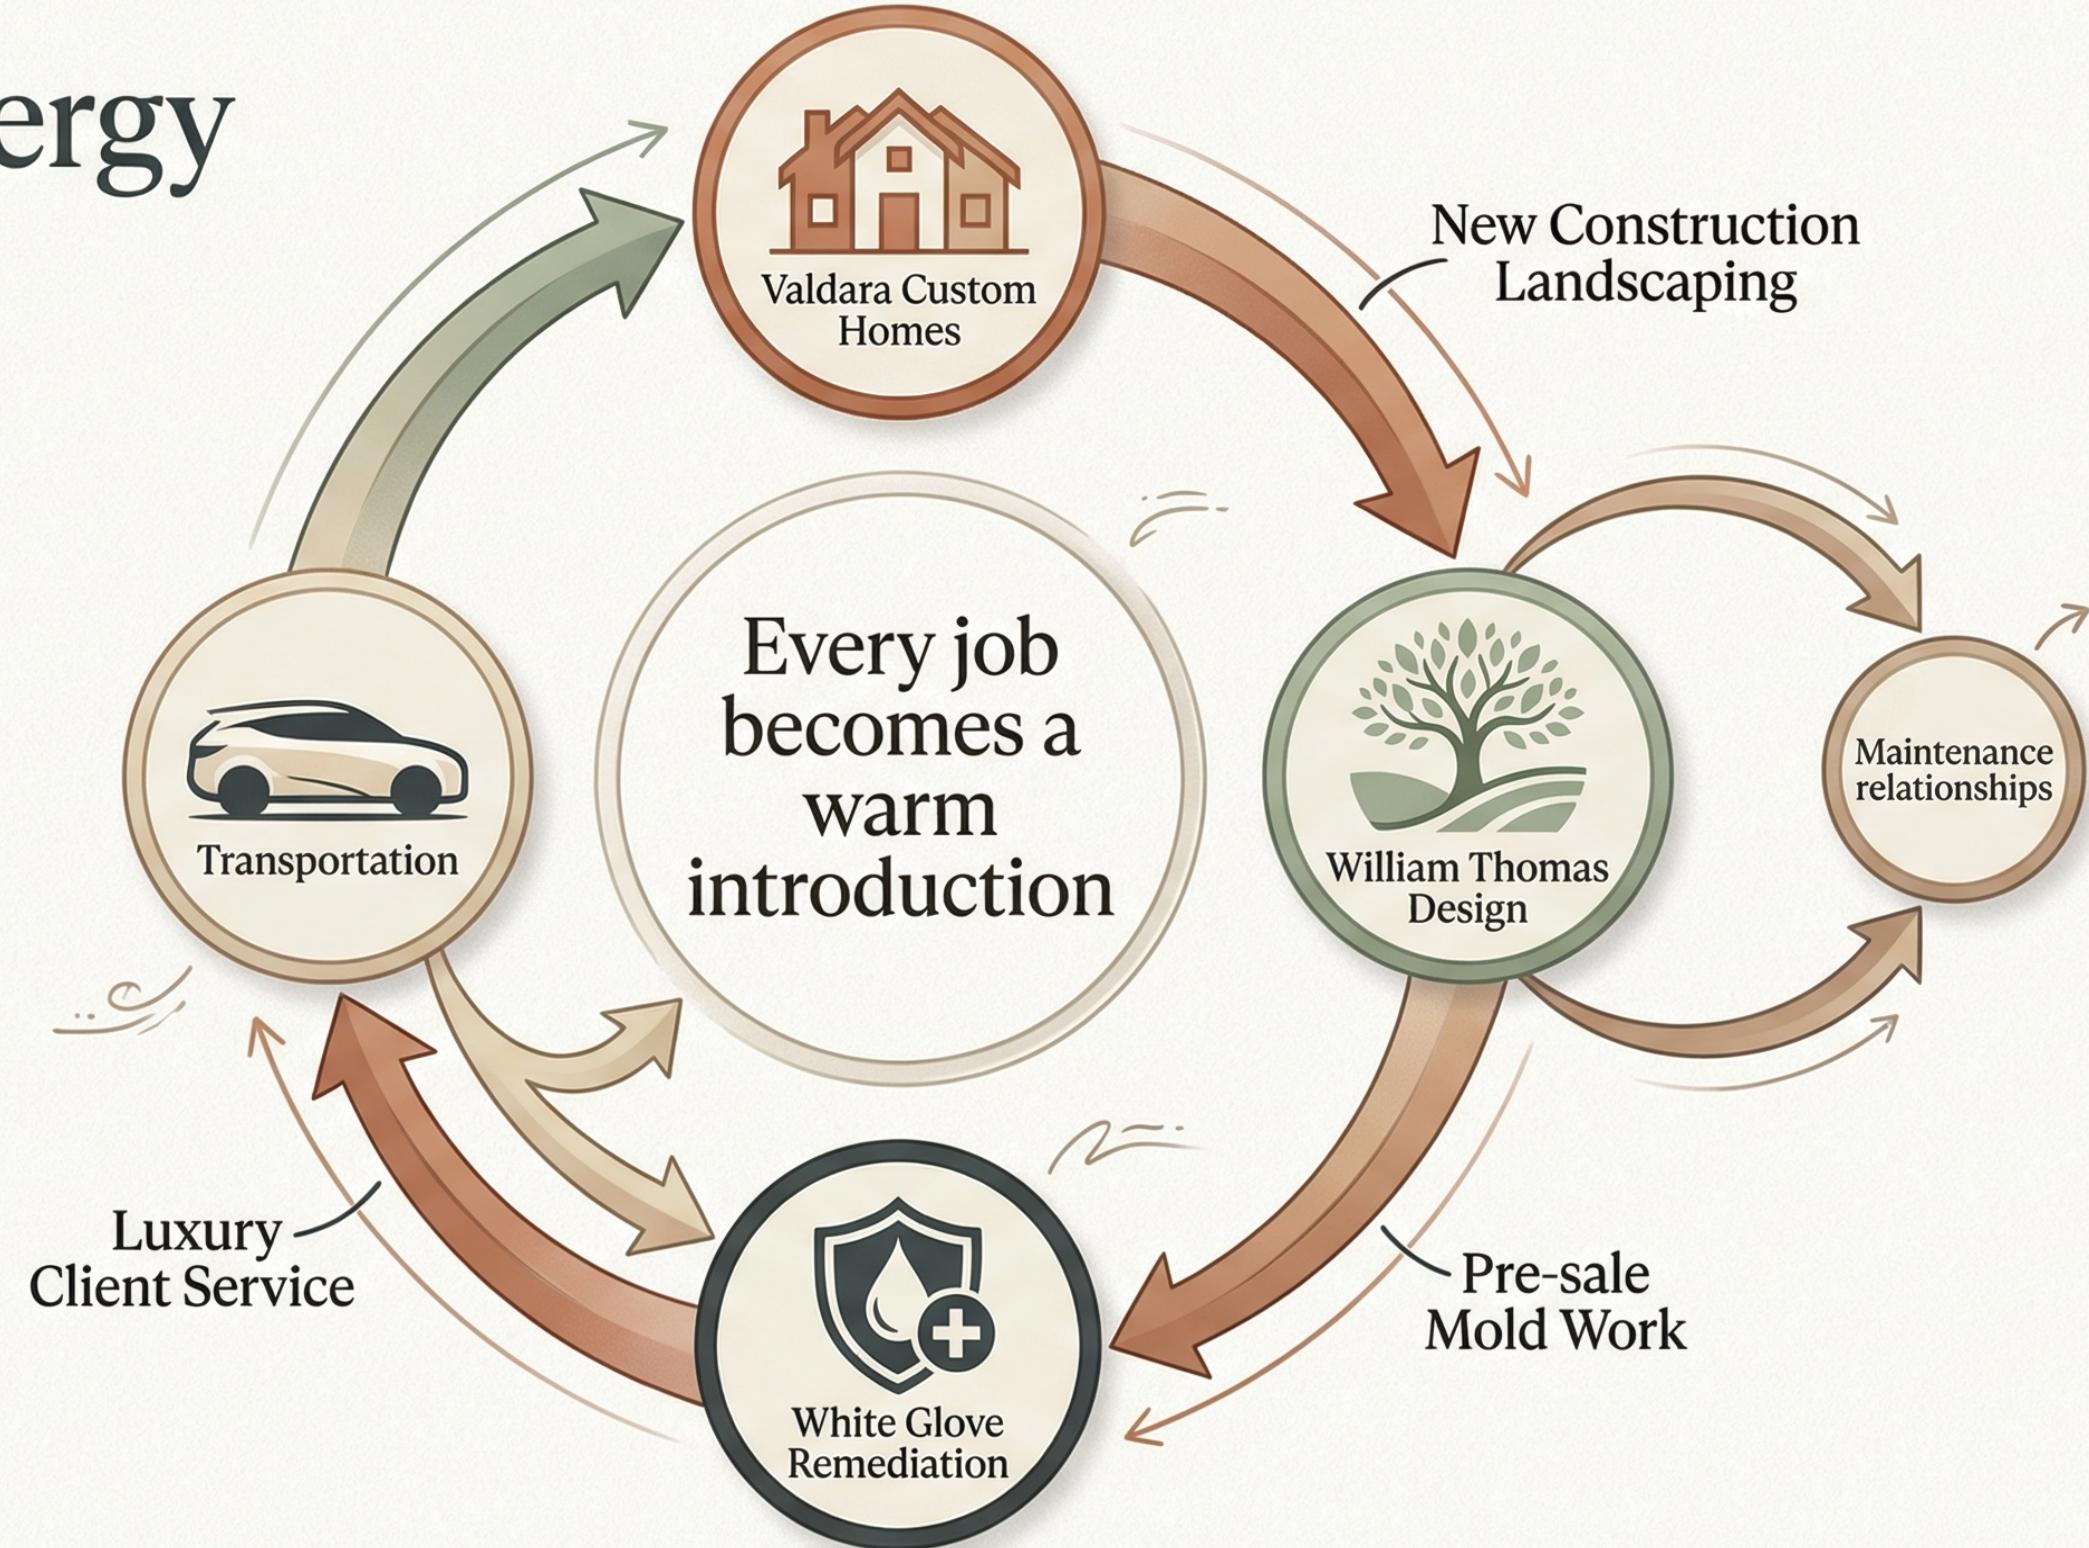

Shared Resources
Leverage collective expertise, tools, infrastructure, and operational support for efficiency.

Strategic CEO Partner
Collaborative leadership and mentorship from an experienced CEO to drive growth and strategy.

The Structure

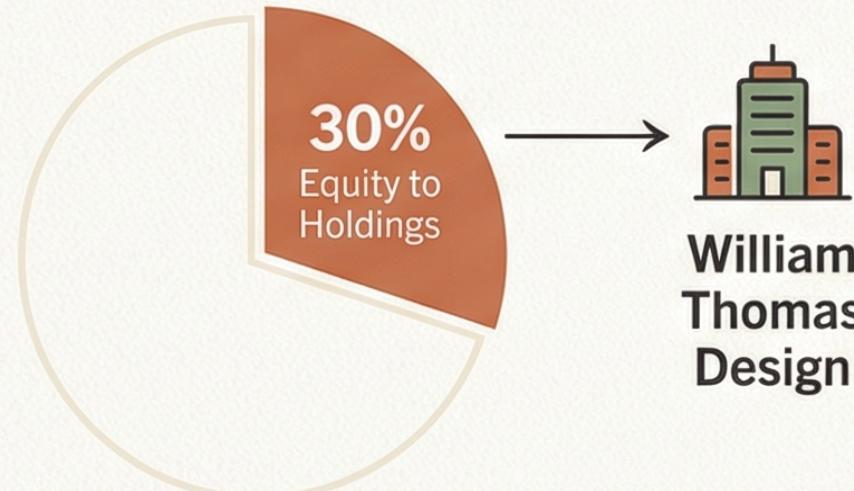

The Synergy Map

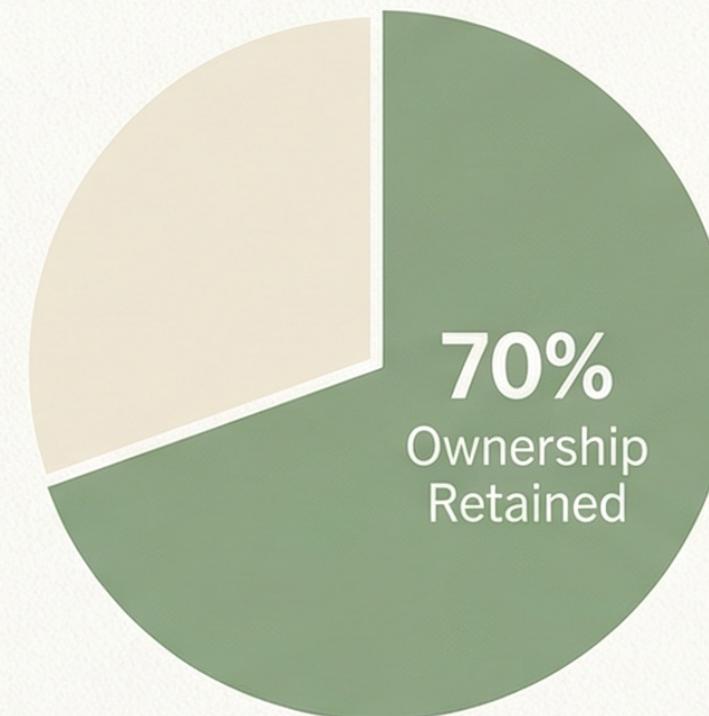

The Exchange

Billy Contributors

William Thomas Design
equity going to Holdings.

Billy Keeps

- 100% Operational Control
- His Title
- His Team
- His Decisions

Equity swap, not buyout. No cash changes hands.

Your Role

What Stays The Same

You run William Thomas Design

Your employees report to you

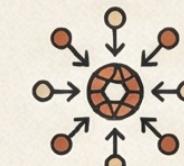

Your clients are your clients

Your profit margins, your decisions
